## Manistique Papers Reorganizes Sales

Manistique Michigan

Manistique Papers Inc. is pleased to announce the appointment of Mr. Larry Koski as General Sales Manager in charge of all Sales and Marketing activities for the paper producer. Mr. Koski who has 35 years of sales experience with the company will report to Mr. Jon Johnson, General Manager of Manistique.

Manistique Papers produces 100% recycled, uncoated, eco-friendly specialty papers used in publishing, commercial printing, newspaper and converting. It is a leading recycler of catalogs and magazines in North America, and has earned a reputation for producing high-quality, environmentally sensitive papers.

Merit Capital Partners, a Chicago based capital provider to middle-market companies is the controlling investment partner of Manistique Papers, Inc.
